**Hollard receives multiple ANZIIF Awards**

Privately owned Hollard Insurance was the recipient of two awards announced yesterday at the 17th Annual ANZIIF Australian Insurance Industry Awards - Large General Insurance Company of the Year (a repeat win in this category), and the Excellence in Workplace Diversity and Inclusion award.

Said Paul Fahey, CEO Hollard Insurance: "We are humbled and honoured to be recognised in this way. Our commitment to diversity and inclusion underpins our positive business approach to people, customers, and the community. This ethos drives our family culture and ensures our people can bring their whole selves to work."

"In light of this it was particularly pleasing to see Hollardite, Jessie Wang, as a finalist for the Young Insurance Professional of the Year award. We're proud of Jessie and the 650 Hollardites around the country who truly are the driving force behind these awards."

"It is great recognition for a team which, over two tumultuous years including a mix of catastrophes, COVID-19, and regulatory change, always strived to look after our Hollardites and customers."

"While the awards represent achievements in strong performance and growth, we couldn't accomplish this alone. I'd like to thank our distribution partners, brokers and service providers who have been there with us throughout the journey and congratulate our fellow finalists in the industry."
